

# SR 111 ROADWAY PROJECT

Vista Chino - Gene Autry Trail - E. Palm Canyon

## Construction Alert: Week of February 24, 2025

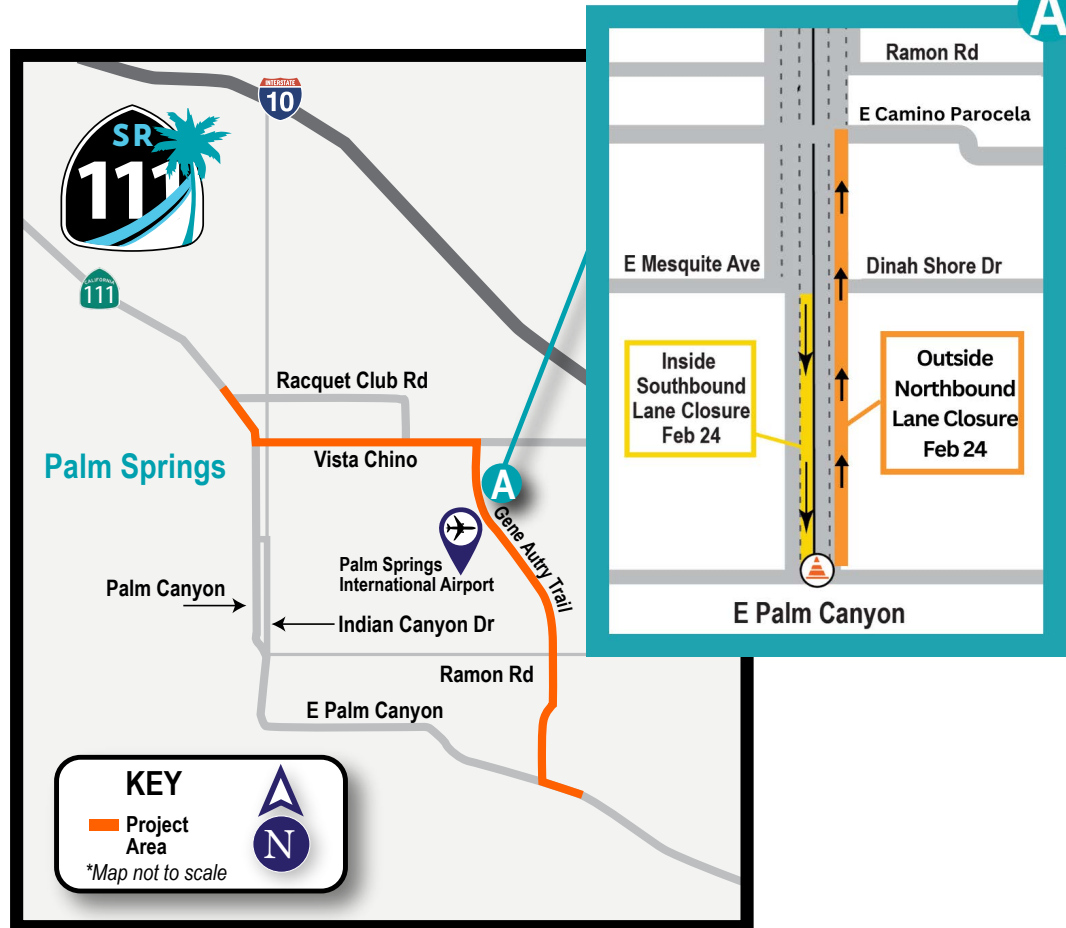

Lane Closures to Continue on Gene Autry Trail---USE ALTERNATE ROUTES

Ongoing construction activity with lane closures is planned as crews continue repaving work along key sections of Gene Autry Trail. These improvements are part of the SR111 Roadway Project, a broader effort to enhance road safety, improve driving conditions, and extend the lifespan of the roadway.

### CONSTRUCTION DATES & ZONES

**A** Lanes will be closed in one direction for 2-mile segments at a time. One lane will be open to traffic.

- **Monday, Feb. 24**  
Inside lane closed on southbound Gene Autry Trail from Dinah Shore to E. Palm Canyon Drive.
- Crews will turn around and continue northbound on Gene Autry Trail to Camino Parocela.
- **The intersection of Dinah Shore and Gene Autry will be temporarily closed on Monday afternoon.**
- The schedule will be posted Monday afternoon for the remainder of the week.

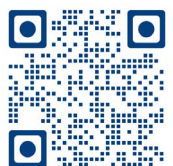

Posted schedules may change due to weather or field conditions.

### SAFETY REMINDERS

Please reduce speed and respect the construction zone.

Follow posted signs, obey traffic control personnel, and plan for delays.

Please use alternative routes.
