

SR 111 ROADWAY PROJECT

Vista Chino - Gene Autry Trail - E. Palm Canyon

Construction Alert: Week of March 3, 2025

Night work scheduled to reduce traffic delays on SR 111 Roadway Project

In response to public concerns about traffic congestion and delays, the construction team along with the City of Palm Springs collaborated to make an exception to City policy and change construction to nightwork. **Nightwork is scheduled Monday through Thursday nights from 7 p.m. to 6 a.m., with no work planned for Friday, Saturday or Sunday nights.** Nighttime paving will continue in the project area for the remainder of March.

A TRAFFIC IMPACTS This week, nightwork is planned on Gene Autry Trail from Sunny Dunes Rd to Vista Chino. Expect lane closures on SR111 and limited access with detours while crews are paving through intersections; the contractor will only work in one major intersection at a time.

Mon., March 3 | Gene Autry

- NB from Camino Parocela to Vista Chino
- SB from Vista Chino to Chia Rd

Tues., March 4 | Gene Autry

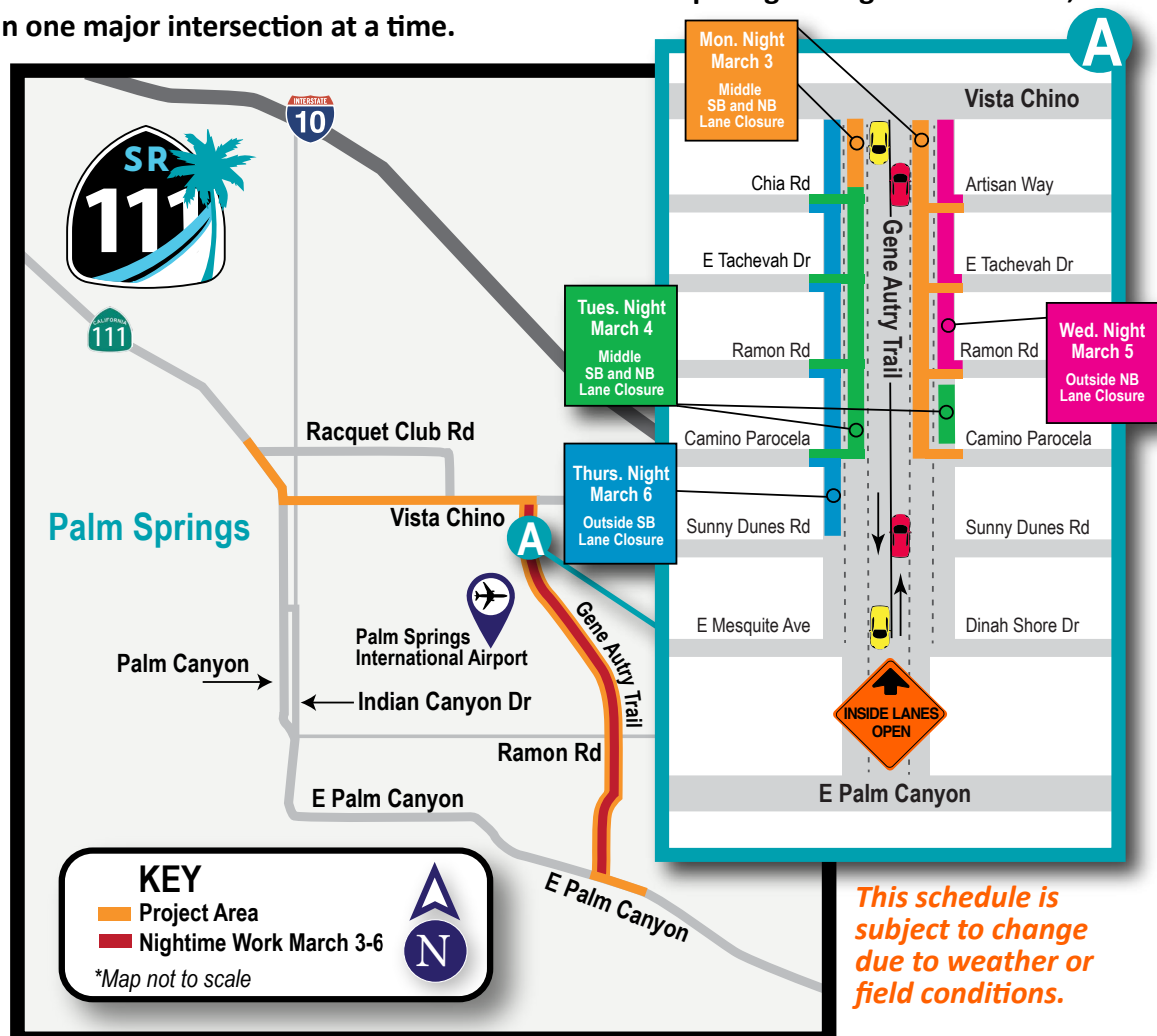

- SB from Chia Rd through Camino Parocela intersection
- NB from Camino Parocela to Ramon Rd

Wed., March 5 | Gene Autry

- NB through Ramon Rd intersection to Vista Chino
- Access through NB intersections will be impacted

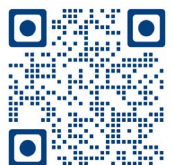

Thurs., March 6 | Gene Autry

- SB from Vista Chino to Sunny Dunes Rd
- Access through SB intersections will be impacted

WHAT TO EXPECT

Neighbors near the construction area can expect usual noises associated with construction; lighting in the construction area; and vibrations from heavy equipment. Work is mobile with crews in one location for approximately 90 minutes before moving to the next section.
