

# SR 111 ROADWAY PROJECT

Vista Chino - Gene Autry Trail - E. Palm Canyon

## Construction Alert: Week of May 19, 2025

Bus pad work begins this week with crews constructing curb and gutter at bus pad locations throughout the project area.

Expect temporary 24-hour traffic control in outside lanes for approximately 100 yards throughout the project area to allow for concrete curing.

### BUS PAD CONSTRUCTION TRAFFIC IMPACTS

Work hours:

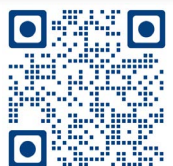

Monday – Thursday | 6 a.m. to 6 p.m.

24-hour traffic control in outside lanes

- Traffic control areas will be approximately 100 yards.
- To allow access for concrete trucks, lanes may be closed for short periods of time. One lane in each direction will always remain open.
- Construction will occur during daytime hours; traffic control will remain in place overnight for concrete curing.
- Please visit [sunline.org](https://www.sunline.org) for bus stop access information

*This schedule is subject to change due to weather or field conditions.*

There will be no construction due to Memorial Day from Friday, May 23 – Tuesday, May 27.
