

# SR 111 ROADWAY PROJECT

Vista Chino - Gene Autry Trail - E. Palm Canyon

## Construction Alert: Week of June 2, 2025

Bus pad construction work continues the week of June 2. Expect 48-hour-long traffic control for approximately 100-yards in multiple locations through the project area.

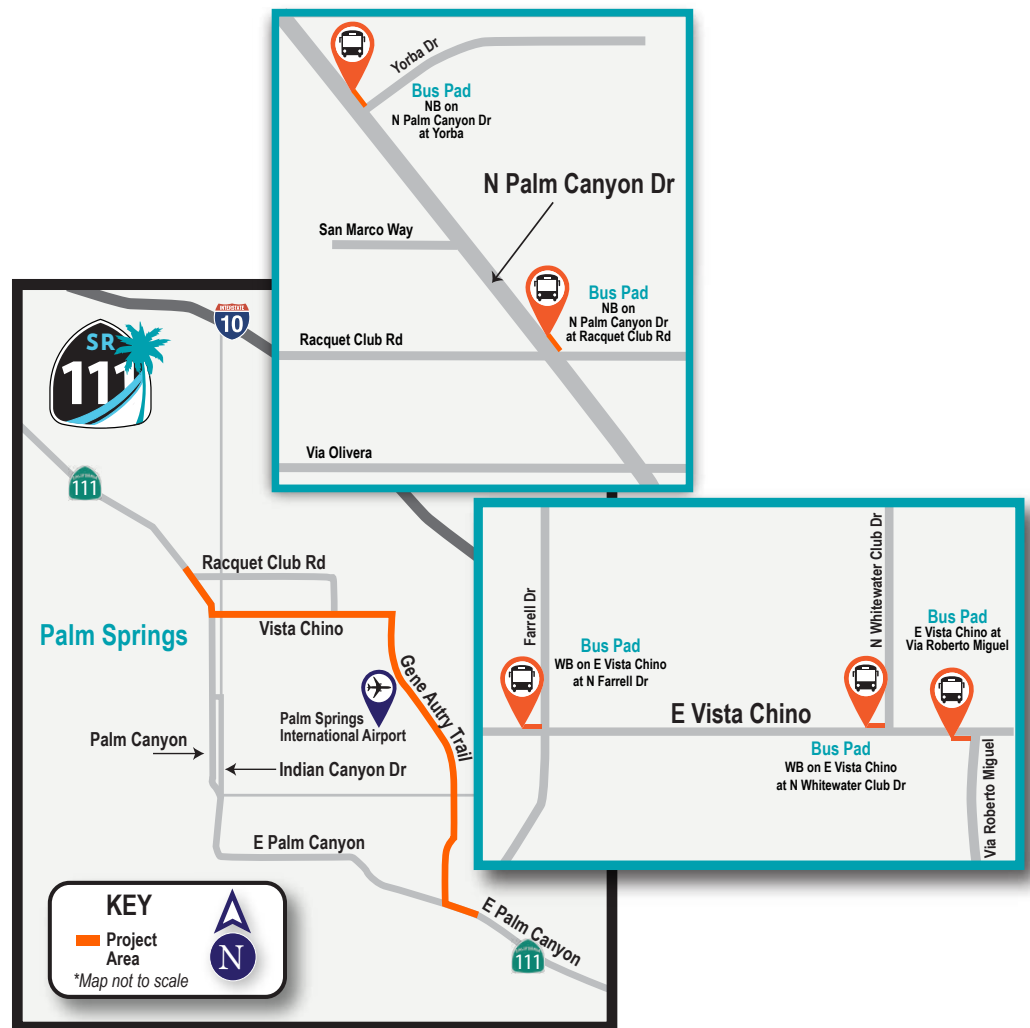

### BUS PAD CONSTRUCTION TRAFFIC IMPACTS

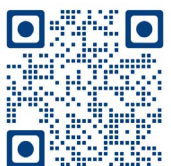

#### Work hours:

Monday – Thursday | 6 a.m. to 6 p.m.

- Bus pad construction will take place throughout the project area. Please refer to the map for specific locations.
- Work will require 48-hour traffic control in outside lanes at each location.
- Traffic control areas will be limited to about 100 yards—significantly shorter than the two-mile closures used during earlier repaving.
- To allow access for concrete trucks, up to two lanes may be briefly closed at times. One lane in each direction will always remain open.
- Construction will occur during daytime hours, with overnight traffic control maintained for concrete curing.

*This schedule is subject to change due to weather or field conditions.*
