

SR 111 ROADWAY PROJECT

Vista Chino - Gene Autry Trail - E. Palm Canyon

Construction Alert: Week of June 16, 2025

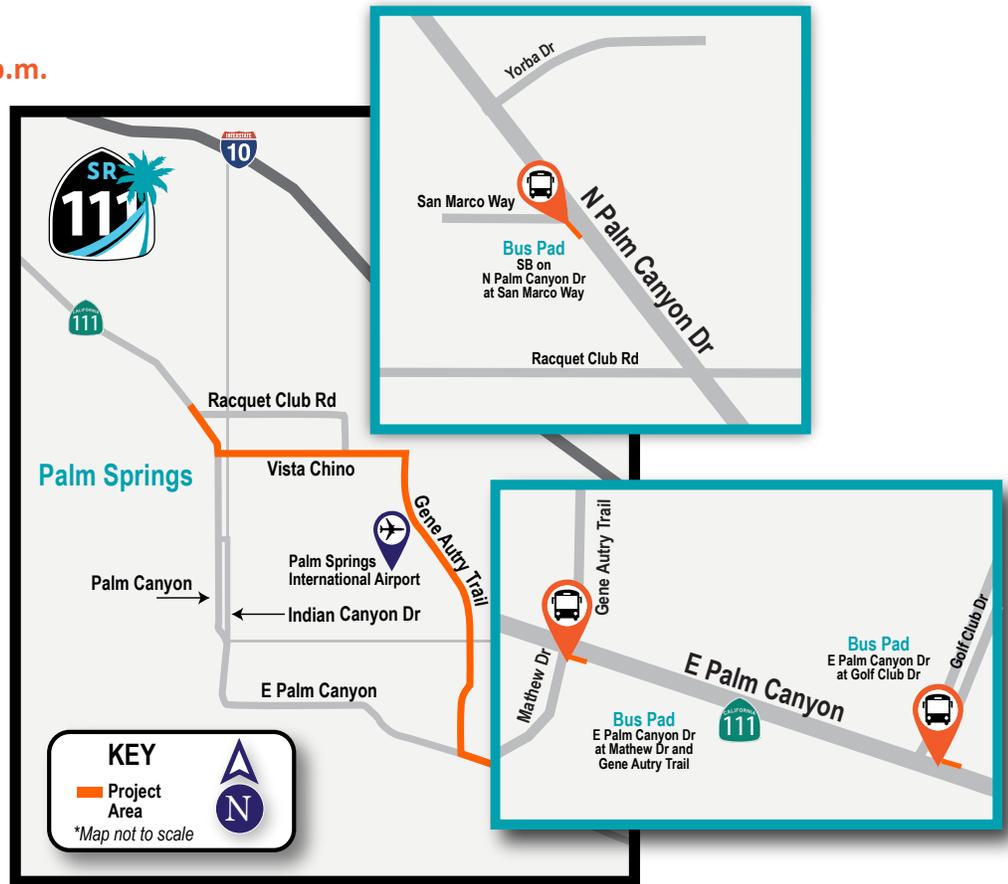

Bus pad construction will continue on SR 111 during the week of June 16, with crews working in multiple areas and traffic control in place.

BUS PAD CONSTRUCTION TRAFFIC IMPACTS

Work hours:

Monday through Thursday, 6 a.m. to 6 p.m.

- Construction will take place in the outside lanes at multiple points along the corridor.
- Traffic control will remain in effect for roughly 48 hours at each site to allow for concrete curing.
- Work zones will be approximately 100 feet in length.
- In some cases, up to two lanes may have temporary traffic control to allow concrete trucks access. One travel lane in each direction will remain open at all times.

Overnight traffic control will remain in place to during concrete curing.

Please reduce your speed when approaching construction areas and watch for signs and crews in the roadway.

This schedule is subject to change due to weather or field conditions.
